Our Vision/Mission

Trips for Kids (TFK) Vancouver is a registered non-profit society with a vision of a world in which outdoor recreation is made available to all. TFK Vancouver offers day-long and overnight mountain biking excursions for low-income and inner city youth. We use the bicycle as a tool to combine lessons in personal responsibility, achievement, cultural understanding, and environmental stewardship through development of practical skills and the simple act of having fun!

What we offer

- › Mountain bikes, helmets, gloves and water bottles for up to 12 kids
- › Experienced ride leaders
- › Lunches for all participants
- › Transportation of all equipment to and from the trailhead
- › Trail maintenance workshops on overnight trips

With rides operating 8 weeks each summer, Trips for Kids Vancouver volunteers and staff have ridden with hundreds of our city's young people.

Would you like to help Trips for Kids Vancouver by making a tax-deductible cash or in-kind donation?
